Lady In Blue

Joe Dolan

Who's that lady on her own
I wish that she would look my way
She just stands there on her own
A painted smile upon her face
Lonely lady dressed in blue
May I have this dance with you
Let me hold you in my arms
Let the music fill your heartNow that I'm with you
Wish this night could last forever
Oh my lady blue
If you only knew
I was lonely lonely lady
Oh my lovely lady blue
I was lonely lonely lady
If you only knewWill we ever meet again
Or is this just a one night stand
But as I hold you in my arms
I wish this night would never end
Oh my lady lady blue
Will you dance with me once more
Let me hold you like before
Let me hold you once againNow that I'm with you
Wish this night could last forever
Oh my lady blue
If you only knew
I was lonely lonely lady
Oh my lovely lady blue
I was lonely lonely lady
If you only knew
