Nigga Please

The Cool Kids

I ain't no nigga
My words can't be held against me
I'm not caught up in your lawAll music must obey me
All pain must obey me
I cripple my enemies
Got that careful vocabulary
I can talk my way up out of anything
Nobody's words can go against me
I'm stingy, I want all that energyOsiris, the best nigga in the place to be
I two hundred hot degree
Burning ya till you faint y'all
Y'all niggas shooting blanks y'all
I'm fucking my vest, drive an armored tank y'all
I dead niggas like a dog buries a bone
You could never set me up I raise the pain volume
Nominate me, as presidential M C
My career so intelligent unique physique
A nigga pleaseYou could never fuck with the dog
A nigga please
Nigga I will bury ya bone
A nigga please
I'm the one who burned ya home
A nigga pleaseWatch your shit fall like Rome
I'm immune to all viruses
I get the cocaine it cleans out my sinuses
Just for slinging I get a quarter a mil
I'll have it raining ice drops the size of automobilesKill all the government microchips in my body
I'm the paranoid nigga at your party
I kill all my enemies at birth shut the fuck up
Bitch and let my slide my hands up your skirt
Nigga pleaseYou could never fuck with the dog
A nigga please
Nigga I will bury ya bone
A nigga please
I'm the one who burned ya home
A nigga pleaseNigga please! You could never fuck with the dog
Nigga please! You could never fuck with the dog
Nigga please! You could never fuck with the dog
Nigga please! You could never fuck with the dog

Nigga please! You could never fuck with the dogStraight up! O D B type shit
Y'all watch out for the Abbott and crazy monk coming soon
Splashed y'all with the organic Hip-Hop spazola type
Now mean straight up for born in on
