

Never Meant to Hurt You

Good Shoes

do you ever feel like you've broken someone's heart, I do
do you ever feel like you're lying from the start, i do
and you twist and turn say life's a fucking bore and i say
do you ever feel like you've broken someone's heart.

met a girl on a plane to canada
drinkin wine watching maid in manhattan
my friends are getting drunk
i think that Joel threw up
things were so much better when we were young

I, I never meant to hurt you
you, you never knew i didn't love you
i hope you're fine
the fault is mine
i'm just sorry that im such a typical man

do you ever feel like you've broken someone's heart, I do
do you ever feel like you're lying from the start, i do
and you twist and turn say life's a fucking bore and i say
do you ever feel like you've broken someone's heart.

met a girl on a plane to canada
all black hair and floral dress patterns
she wore too much top shop
i'm just so arrogant
people said we looked like the perfect couple

I, I never knew you were so insecure
you, you never knew that i was too
said you were in love
i thought i didn't give a fuck
i don't think i've ever loved anyone and

do you ever feel like you've broken someone's heart, I do
do you ever feel like you're lying from the start, i do
and you twist and turn say life's a fucking bore and i say
do you ever feel like you've broken someone's heart.

I I I, I I I, I I I never meant to hurt you (repeats 8X)
