Vapours

Islands

Oh I ventilate.
The vapours might take a sec,
The vapours might make you wet.
Well I hope I satiate,Whom I entertain.
Hoping you get dancing feet,
Hoping that you like the beat,
And I hope you don't complain.It's the bassline in your mind!
It's a sexy way to cry!
You know I had my share of doubt,
Until I saw the vapours in your eyes!So watch me ventilate,
Knock you off your feet where you stood.
You keep dancing if you could,
Well I hope I'm understood.Tears rolling down your face.
The vapours all up in the place.
Guess I'm alive today at least,
While I ventilate.It's the bassline in your mind!
It's a sexy way to cry!
You know I had my share of doubt,
Until I saw the vapours in your eyes!
