U Told Me

Shareefa

Advisory - the following lyrics contain explicit language:

So what, what do I do now
Do what without you now?
So what, what do I do now
Do what without you now?U told me that we would always be together
Said we'd make it through the stormy weather
But ya locked up nowU told me don't wait on the floor forever
Said I gotta look for something better
'Cause ya locked up nowI shoulda known from da corner of da block
That you were wrong
One day soon you'd be leavin' me alone
But I gave you da digits anywayOoh, I had my doubts
But you know how I like 'em thugged out
Thought for sure
I could change a thugs routeBut a mans gonna be what a man wants to be
No matter what ya say sometimesYou gave me fancy cars, diamonds and pearls
But without ya here what is it worth?
Not a damn thing
Sometimes I cry in the rain for youYa wishin' things could be the way they were
'Cause all the joy of love turned into hurt
And I can't take the pain
These pictures on the wall won't doGangsta u told me that we would always be together
Said we'd make it through the stormy weather
But ya locked up nowU told me don't wait on the floor forever
Said I gotta look for something better
'Cause ya locked up nowI understand that in the game sometimes you lose ya man
But 25 to life wasn't in the plan, how do I pick up the pieces?
I keep fallin' to pieces, every time that I see you caged up
I kept prayin' everyday you'd wake upBut all the money somehow wasn't enough
I guess you had ya own reasons
Now it's only teasin' your allYou gave me fancy cars, diamonds and pearls
But without ya here what is it worth?
Not a damn thing

Sometimes I cry in the rain for youYa wishin' things could be the way they were
'Cause all the joy of love turned into hurt
And I can't take the pain
These pictures on the wall won't doGangsta u told me that we would always be together
Said we'd make it through the stormy weather
But ya locked up nowU told me don't wait on the floor forever
Said I gotta look for something better
'Cause ya locked up nowI've been gain it all, there's no need to fall
As long as I knew you'd come home
A simple 9 to 5 and some quality time
instead of catchin' up on the jail phoneI tried to let go 'cause ya tellin' me so
But I don't wanna move on
I'm down for mine but I'm tired of cryin'
I gotta face the fact that you're goneU told me that we would always be together
Said we'd make it through the stormy weather
But ya locked up nowU told me don't wait on the floor forever
Said I gotta look for something better
'Cause ya locked up nowSo what, what do I do now
Do what without you now?
So what, what do I do now
Do what without you now?So what, what do I do now
Do what without you now?
So what, what do I do now
Do what without you now?
