Alone

Billy Lockett

Used, and I don't know why I'm not listening...
You're whispering.
Confused, and now it's been too long and you're far from gone...
You're far from gone

So what do you keep wandering inside my lonely head
and why do I keep suffering when all my friends said
"Life Goes On"
What do you keep wandering inside my lonely place and
Why do I keep surrendering when all my friends said
"I'll Move On"

I don't know why, don't know why, Maybe I, Maybe I...
Made a lie cause I don't want to die alone.
No I don't want to die alone.

I don't know why, don't know why, Maybe I, Maybe I...
Made a lie cause I don't want to die alone.
No I don't want to die alone.

And I know that I was the one who said,
I'm over this. Get over it.
One more kiss and goodbye.

And so I know I deserve to be a memory,
The irony
Don't go changing your mind

So what do you keep wandering inside my lonely head
and why do I keep suffering when all my friends said
"I'll Move On"
What do you keep wandering inside my lonely bed and
Why do I keep surrendering when all my friends said
"Life Goes On"

I don't know why, don't know why, Maybe I, Maybe I...
Made a lie cause I don't want to die alone.
No I don't want to die alone.

I don't know why, don't know why, Maybe I, Maybe I...

Made a lie cause I don't want to die alone.
No I don't want to die alone.
