Looking for You

Tait

Wide awake, chasing sleep
Life's so bittersweet
Like a dream, remembering
When I could talk to YouWe were safe in a world of harm
Before I knew it our love was gone
I miss You so muchI'm looking for You
'Cause You're all that's true to me
You make me smileI had to fall and lose it all
But that's all right with me
You pushed aside my selfish pride
You opened up my eyesWhen I was lost You came to me
You crossed the oceans to set me free
I need you so muchLooking for You
'Cause You're all that's true to me
You make me smileYou, You're all I ever needed
I know, I know
Only You, you're all I ever wanted
I know, I knowYou, You're more than a dream
Yeah, you're everything
My own symphony
You're my destinyI'm looking for You
'Cause You're all that's true to me
You make me smileI'm looking for You
Ooh I sing this for You
Oh 'cause nothing's as true
You make me smileSo I smile, yeah, I smile
Every time I think of You
I smile, I do
Oh, every time I think of YouI'm looking for You
'Cause You are my soul's desire
I'm searching for You
Yes, You are my soul's desireI'm looking for You
'Cause You are my soul's desire
You are my soul's desireMy soul's desire
My, my, my soul's desire
Oh yeah, oh yeah
You are, You are
