

We've Only Just Begun

Perry Como

We've only just begun to live
White lace and promises
A kiss for luck and we're on our way
Before the rising sun we fly
So many roads to choose
We start our walking and learn to run
And yes, we've just begun, oh yeah
Sharing horizons that are new to us
Watching the signs along the way
Talking it over, just the two of us
Working together day to day, together
When the evening comes we smile
So much of life ahead

We'll find a place where there's room to grow
We've only just begun, oh yeah
Sharing horizons that are new to us
Watching the signs along the way
Talking it over, just the two of us
Working together day to day, together
Together
And when the evening comes we smile
So much of life ahead
Find a place where there's room to grow
Yes, we've only just begun
We've only just begun
