

All the Love in the World (remix)

The Corrs

(Don't want to wake)

Don't want to wake up alone anymore
Still believing you'll walk through my door
All I need is to know it's for sure
Then I'll give all the love in the world

I'm not looking for someone to talk to
I've got my friends, I'm more than okay
I've got more than a girl could wish for
I live my dreams, but it's not all they say

Still I believe

(I'm missing)

I'm missing something real
I need someone who releases me

(Don't want to wake)

Don't want to wake up alone anymore
Still believing you'll walk through my door
All I need is to know it's for sure
Then I'll give all the love in the world

I've often wondered if love's an illusion
Just to get you through the loneliest days
I can't criticise it, I had no hesitations
My imagination just stole me away

Still I believe

(I'm missing)

I'm missing something real
I need someone who releases me

(Don't want to wake)

Don't want to wake up alone anymore
Still believing you'll walk through my door
All I need is to know it's for sure
Then I'll give all the love in the world

Love's for a lifetime, not for a moment
So happy, don't throw it away, yeah

I'm only human and that's more colder
With no one to love me that way, yeah
I need someone who releases me

(Don't want to wake)

I don't want to wake up alone anymore
Still believing you'll walk through my door
You'll reach for me and I'll know it's for sure
Then I'll give all the love in the world

Don't want to wake up alone anymore
Still believing you'll walk through my door
Don't want to wake up alone anymore
