

# Silhouette

## Owl City

I'm tired of waking up in tears  
Cause I can't put to bed these phobias and fears  
I'm new to this grief, I can't explain  
But I'm no stranger to, the heartache and the pain  
The fire I began is burning me alive  
But I know better than to leave and let it die  
I'm a silhouette, asking every now and then  
Is it over yet? Will I ever feel again?  
I'm a silhouette, chasing rainbows on my own  
But the more I try to move on, the more I feel alone  
So I watch the summer stars to lead me home  
I'm sick of the past I can't erase  
A jumble of footprints, and hasty steps I can't retrace  
The mountain of things I still regret  
Is a vile reminder that I would rather just forget (No matter where I go)  
The fire I began is burning me alive  
But I know better than to leave and let it die  
I'm a silhouette, asking every now and then (Now and then)  
Is it over yet? Will I ever smile again?  
I'm a silhouette, chasing rainbows on my own  
But the more I try to move on, the more I feel alone  
So I watch the summer stars to lead me home  
Cause I walk alone (No matter where I go)  
Cause I walk alone (No matter where I go)  
Cause I walk alone (No matter where I go)  
I'm a silhouette, asking every now and then (Now and then)  
Is it over yet? Will I ever love again? (Love again)  
I'm a silhouette, chasing rainbows on my own  
But the more I try to move on, the more I feel alone  
So I watch the summer stars to lead me home  
I watch the summer stars to lead me home
