Set Apart

For Today

Separated from that body bound in sin (free from bondage)
And crucified with Christ, that man no longer lives (revived)
Purify me (purify me), let my life testify that Your death was enough
Purify me (purify me), let Your Kingdom on earth, match Your Kingdom above

Iâ€™ve been broken out of slavery, sin has no right to me
Iâ€™ve been broken out of slavery, and You, my King, have made me free

We will not conform to a world that celebrates our self-destruction
We will not conform, because we know we were born for revolution

Separated from that body bound in sin (free from bondage)
And crucified with Christ, that man no longer lives (revived)
Purify me (purify me), let my life testify that Your death was enough
Purify me (purify me), let Your Kingdom on earth, match Your Kingdom above

Age to age, Youâ€™re calling me to holiness
And age to age, the standard is for righteousness to mark this life
So teach me how to turn my heart away from the worthless things that Iâ€™ve kept so near
Teach me how to turn my heart away until Your voice is all that I hear

We will fight to change this system
We will not conform, we will not conform
We will not conform, (we will not conform)
We will not conform, (we will not conform)
