Everything

Michelle Williams

Sometimes, when you're sittin' by yourself.
You might just wonder if God is gonna help.
Cause everbody's done passed you by and,
You're left alone to thing about it.
Well I just wanted to encourage you,
And let you know that he will bring you through.
So don't you worry about a thing,
Soon understanding he will bring.
Everthing is gonna be OK.
Trust in him, and he will make a way.
Everything is gonna work out fine.
Cause He still has purpose for your life.
So keep your eyes on the things above.
Nobody's perfect except God , the son.
Who are you trying to please anyway?
Is God? Or is it me? Or for any man?
All I can tell you is hold on.
And change is comin', so be strong.
He knew this is how it would be,
Now all you gotta do, is believe.
Everthing is gonna be OK.
Trust in him, and he will make a way. (oh)
Everything is gonna work out fine.

Cause He still has purpose for your life.
So keep on, keep on goin'.
Yes keep on, keep on movin'
It's gonna be alright, (it's gonna be alright) It's
gonna be okay. (it's gonna be okay)
Yes keep on, keep on goin'
Oh, keep on, keep on movin'
It's gonna be alright (it's gonna be alright). Keep
doin watcha' doin.
Cause I know.....
Everthing is gonna be OK. (yeah)
Trust in him, and he will make a way. (adlibs.....)
Everything is gonna work out fine.
Cause He still has purpose for your life.
Everthing is gonna be OK.

Trust in him, and he will make a way.
Everything is gonna work out fine.
Cause He still has purpose for your life.
You gotta believe it.....
