

Devoted

Citipointe Live

I'm losing my whole life,
In your purpose
And for your heart's desire.
I'm running with blinded eyes
Faith as my guide.
Let your love take flight

Refrain:

For you, all was put aside
All for you and I
Father, it's You I love

Chorus:

I'm devoted to you
Sacred love, my truth
I'm devoted to you
All in all, I worship you,
I worship you, my Lord

Bridge:

Precious God,
Into your arms
Without blame I come
Your blood has saved us all (2x)

Repeat Refrain and Chorus
