How Deep Is Your Man?

Richard Ashcroft

Came to New York, it's all I need
Tell me the beat, so I can sleep
All night long, all night long, all night long
Who is gonna cross the road for me
When I'm in trouble, man?
(I know)
I'm in trouble, man
(I know)
Who is gonna cross the road for me
(Who knows?)
When I'm in trouble, man?
(Soul)
I'm in trouble, man
Yeah, I like the way you look, let's go all night
This is my baby, make everything alright
And I can't sleep, the city's too clear
I wanna keep my focus, see it again
I wanna get my balance, yeah, I feel alright
Wake up at night, all day, all night
24-7, I ain't ever gonna stop
When I get this feeling, I just wanna rock
Who is gonna cross the road for me
When I'm in trouble, man?
(I know)
I'm in trouble, man
(I know)
Who is gonna cross the road for me
(Who knows?)
When I'm in trouble, man?
(In trouble)
I'm in trouble, man
How deep is your man, how deep is your man?
How deep is your man, has he got
