

Made Example Of

Ha Ha Tonka

I cut my teeth by the time I talked
I wasn't listening
So I was made example of
Good advice given often although often gets old
I wasn't listening
So I was made example of

You see, if you donâ€™t change where youâ€™re going
Youâ€™re going to end up right where youâ€™re heading
If you donâ€™t change where youâ€™re going
Youâ€™re going to end up right where youâ€™re heading

Well I couldn't see the cracks that were showing
The bright side of me that had no way of knowing

If you donâ€™t change where youâ€™re going
Youâ€™re going to end up right where youâ€™re heading
Hindsight isn't helping me

I wasn't mindful
I wasn't minding anyone
The stubborn sails are full of an obstinate wind
I wasn't listening
So I was made example of

I donâ€™t doubt it, I never doubted it for a second
I donâ€™t doubt it, I never doubted it for a second

Itâ€™s just that I wasn't listening
I wasn't listening

They say that if you donâ€™t change where youâ€™re going
Youâ€™re going to end up right where youâ€™re heading
If you donâ€™t change where youâ€™re going
Youâ€™re going to end up right where youâ€™re heading

Well I couldn't see the cracks that were showing
The bright side of me that had no way of knowing

If you donâ€™t change where youâ€™re going

You're going to end up right where you're heading

They say that if you don't change where you're going
You know you're going to end up right where you're heading

If you don't change where you're going
You're going to end up right where you're heading

Well I couldn't see the cracks that were showing
The bright side of me that had no way of knowing

If you don't change where you're going
You're going to end up right where you're heading
