Open Your Arms

Editors

Look up, look up, look up now
It's a long way down
Look up, look up, look up now
It's a long way downYou fail, you fail to see now
What you need the most
Making a meal of me now

You're the perfect hostThis lot, this lot have messed you around
Well, this lot, this lot have messed you aboutOpen your arms and welcome people to your townLook up, look
up, look up now

It's a long way downThis lot, this lot have messed you around Well, this lot, this lot have messed you aroundWell, this lot, this lot have messed you aroundWell this lot, well this lot have messed you aroundOpen your arms and welcome

Open your arms and welcome Open your arms and welcome

Open your arms and welcomeOpen your arms and welcome

Open your arms and welcome

Open your arms and welcome

Open your arms and welcomeOpen your arms and welcome people to your town

Open your arms and welcome people to your town
