

Broken Hearts

[Greyson Chance](#)

I remember the first I time saw you
With your pretty brown eyes that sparkled
In the light
And your long brown hair
And the way you could dance so well And you took the air I'm breathing
And stole my heart
I don't know what happened
But we fell apart
You left me with the Broken Heart
Broken Heart Broken hearts they never fade away
and Broken hearts are here, here to stay I know what we've been waiting for
But that doesn't give you an excuse
To take all the men you can
Especially, my best friend Cause you took the air I'm breathing
You stole my heart
I don't know what happened
But we fell apart
You left me with the Broken Heart
Broken Heart Broken hearts they never fade away
and Broken hearts are here to stay Cause you took the air I'm breathing
You stole my heart
I don't know what happened
But we fell apart
You left me with the Broken Heart
Broken Heart You took the air I'm breathing
You stole my heart
I don't know what happened
But we fell apart
You left me with the Broken Heart
Broken Heart Broken hearts they never fade away Cause you took the air I'm breathing
You stole my heart
I don't know what happened
But we fell apart
You left me with the Broken Heart
Broken Heart
