

# Nothing else matters

## Scala & Kolacny Brothers

So close no matter how far  
Couldn't be much more from the heart  
Forever trusting who we are  
And nothing else mattersNever opened myself this way  
Life is ours, we live it our way  
All these words I don't just say  
And nothing else mattersTrust I seek and I find in you  
Every day for us something new  
Open mind for a different view  
And nothing else mattersNever cared for what they do  
Never cared for what they know  
But I knowSo close no matter how far  
It couldn't be much more from the heart  
Forever trusting who we are  
And nothing else mattersNever cared for what they do  
Never cared for what they know  
But I knowI never opened myself this way hey  
Life is ours, we live it our way hey  
All these words I don't just say hey  
And nothing else mattersTrust I seek and I find in you  
Every day for us something new  
Open mind for a different view  
And nothing else mattersNever cared for what they say  
Never cared for games they play  
Never cared for what they do  
Never cared for what they know  
And I know, yeah yeah!So close no matter how far  
Couldn't be much more from the heart  
Forever trusting who we are  
No nothing else matters.
