

# Stereotypes

## The Desecrators

The suburbs they are dreaming  
They're a twinkle in her eye  
She's been feeling frisky  
Since her husband said goodbyeShe wears a low cut t-shirt  
Runs a little B and B  
She's most accommodating  
When she's in her lingerieWife-swapping is your future  
You know that it would suit yaYes they're stereotypes  
There must be more to life  
All your life you're dreaming  
And then you, you stop dreaming  
From time to time you know you should be  
Going on another benderThe suburbs they are sleeping  
But he's dressing up tonight  
She likes a man in uniform  
He likes to wear it tightThey're on the lovers' sofa  
They're on the patio  
And when the fun is over  
Watch themselves on videoThe neighbors may be staring  
But they are just past caringYes the stereotypes  
There must be more to life  
All your life you're dreaming  
And then you stop dreaming  
From time to time you know you should be  
Going on another bender  
Yes there must be more to life than stereotypesWife-swapping is your future  
You know that it would suit yaYes they're stereotypes  
There must be more to life  
All your life you're dreaming  
And then you, you stop dreaming  
From time to time you know you should be  
Going on another bender  
Yes, there must be more to lifeThey're stereotypes  
All your life you're dreaming  
And then you, you stop dreaming  
From time to time you know you should be  
Going on another bender  
Before it all comes to an end
