

# Skinnydippin'

## Vengaboys

Skinnydippin' all night long  
Here's an invitation and you  
Gotta bring your friends along  
Gonna pick you up tonight at one  
A private Venga party that is gonna  
Last the whole night long  
Depends 'till the cops show up  
'Coz then we gotta run  
We don't care what the people say  
Nothing's gonna stop us, gonna do it anyway  
Tonight's the night let us show you how  
Hey what you waiting for, get in the water now  
Listen up, tonight it's on  
(Take your clothes off)  
Skinnydippin all night long  
(That's what we love) Come along let's have some fun  
(Take your clothes off)  
Skinnydippin all night long  
(That's what we love) Get in the water now  
Get in the water now  
Here's an invitation and you  
Gotta bring your friends along  
Gonna pick you up tonight at one  
A private Venga party that is gonna  
Last the whole night long  
Depends 'till the cops show up  
'Coz then we gotta run  
We don't care what the people say  
Nothing's gonna stop us, gonna do it anyway  
Tonight's the night let us show you how  
Hey what you waiting for, get in the water now  
Listen up, tonight it's on  
(Take your clothes off)  
Skinnydippin all night long  
(That's what we love) Come along let's have some fun  
(Take your clothes off)  
Skinnydippin all night long  
(That's what we love) Listen up, tonight it's on  
(Take your clothes off)  
Skinnydippin all night long  
(That's what we love) Come along let's have some fun  
(Take your clothes off)  
Skinnydippin all night long  
(That's what we love) Get in the water now  
(Take your clothes off)  
Get in the water now  
(That's what we love) Get in the water now

(Take your clothes off)  
Get in the water now Listen up, tonight it's on  
(Take your clothes off)  
Skinnydippin all night long
