

# Humpin' Around (K-Klassik Radio Mix)

## Bobby Brown

Humpin' Around  
Bobby Brown When you trust someone  
and you know you're on their back  
You ain't got no trusting about you  
And you claim that you  
Don't care what where I'm at  
You've given me reason to doubt you  
Say you trust someone  
Why are you calling all around  
Think I've got some dip on the side  
Girl you don't trust no one  
And you're constantly in doubt  
You lose the game, if you play that way[CHORUS:]  
Get up off my back  
Save a heart attack  
Ain't nobody Humpin' Around (Ain't nobody humpin around)  
No matter what they say  
No it ain't that way  
Ain't nobody humpin around Nobody x5  
Humpin' around babe When you love someone  
And you want to love them right  
Got to get more lovin' about you  
And you know that you're holding on too tight  
Soon they will be leaving without you  
Say that you love someone  
Why are you calling all my friends  
Thinking I've got something to hide  
Girl you don't love no one  
You don't know what love's all about  
You lose the game, (if you) if you play that way[CHROUS]  
Nobody x7  
Humpin' around babe Girl if you trust someone  
You don't call on everybody  
Ain't nobody foolin' around  
And the more I think about it  
You lose all your clout and  
You lose the game, baby, if you play that way[CHORUS]  
Girl you said you love me  
And you said you trust me

Why do you think I'm foolin' around  
I can't stand the pressure  
You know I'm yours forever  
Ain't nobody, nobody, humpin' around[CHORUS x2]
