

Bedshaped

The Backing Tracks

Many's the time I ran with you down

 The rainy roads of our old town

Many the lives we lived in each day

 And buried altogether

 Don't laugh at me

 Don't look away

 You'll follow me back

 With the sun in your eyes

 And on your own

 Bedshaped and legs of stone

 You'll knock on my door

 And dark will go

 In white light I don't think so

But what do I know? What do I know? I know

 I know you think I'm holding you down

 And I've fallen by the wayside now

And I don't understand the same things as you

 But I do

 Don't laugh at me

 Don't look away

 You'll follow me back

 With the sun in your eyes

 And on your own

 Bedshaped and legs of stone

 You'll knock on my door

 And dark will go

 In white light I don't think so

But what do I know? What do I know? I know

 Oh, dark will go

 in white light I don't think so

But what do I know? What do I know? I know
