

# If I May

Nat King Cole

I'd like to love you everyday  
If I may, if I may  
And dream dreams of you every night  
If I might, if I might And if I may, I'd like to say  
I wish that you were mine  
If I had you, all I would do  
Is adore you all the time I'd like to tell you of your charms everyday  
If I may  
I'd like to hold you in my arms every night  
If I might You're the object of my affections  
And if you have no objections  
I'd like to love you, night and day  
If I may I'd like to love you everyday  
If I may  
And dream dreams of you every night  
If I might And if I may, I'd like to say  
I wish that you were mine  
If I had you, all I would do  
Is adore you all the time I'd like to tell you of your charms everyday  
If I may  
I'd like to hold you in my arms every night  
If I might You're the object of my affections  
And if you have no objections  
I'd like to love you, night and day  
If I may
