

# Perfect Blue Sky (featuring Robert Smith)

## Junkie XL

hand in hand we stand below a perfect blue sky  
you and me alone again  
hand in hand we stand under the perfect blue sky  
waiting for the world...  
hand in hand we stand below a perfect blue sky  
you and me alone again  
hand in hand we stand under the perfect blue sky  
waiting for the world...  
it's not as if we have that long  
no endless time to dream  
to fall in love  
to ever get to know  
a few short summer days  
is all the sweetest life we ever live  
a fleeting glimpse before we go  
side by side we slide below a perfect blue sky  
not sure where and not sure when  
side by side we slide under the perfect blue sky  
waiting for the world...  
we always knew this day would come  
too soon the perfect blue  
to grey and black  
and all at once is cold  
the hopes we had to grow  
to understand the reasons why  
all gone  
a million stories left untold  
so hand in hand we stand below a perfect blue sky  
you and me alone again  
hand in hand we stand under the perfect blue sky  
waiting for the world to end
