

I Am Music (Feat. Aaliyah & Static)

Timbaland & Magoo

I'll be with you on your way to work
When your car turns on, you'll probably hear me
You can't run your car without me (Without me)
Want a deal, costs you a hundred G's
I am, I am(Chorus: Static)
I am music
I'm melodies and harmonies
Stereo and mono
On the radio, the radio
I said I am music
I'm simply dope beats
Intros and drum rolls
On the radio, the radio
I'll meet you at a summer jam
I'm with you PM or AM
I'll work out with you when you're at the gym
And when you clean the house, I'll be in the den'cause I am(Chorus 2: Static & Timbaland)
I am music
Melodies, harmonies
Mono, stereo, ohhhhhhhhhhhhhhh
I am music
Simply dope beats
Tempos, drum rolls, ohhhhhhhhhhhhhhh
You may find me at a shopping mall
I'm not buying but I'll be for sale
I'll be a feeling when your talent shows
Might even hear me at a restaurant
'cause I am(Guitar Interlude)
