

My Bloody Valentine

Good Charlotte

Oh, my love
Please don't cry
I'll wash my bloody hands and
We'll start a new life
I ripped out
His throat
And called you on the telephone
To take off
My disguise
Just in time to hear you cry when you
You mourn the death of your bloody valentine
The night he died
You mourn the death of your bloody valentine
One last time
Singin'
Oh, my love
Please don't cry
I'll wash my bloody hands and
We'll start a new life
I don't know much at all
I don't know wrong from right
All I know is that I love you tonight
There was
Police and flashing lights
The rain came down so hard that night and the
Headlines read
A lover died

No tell-tale heart was left to find when you
You mourn the death of your bloody valentine
The night he died
You mourn the death of your bloody valentine
One last time
Singin'
Oh, my love
Please don't cry
I'll wash my bloody hands and
We'll start a new life
I don't know much at all

I don't know wrong from right
All I know is that I love you tonight
Tonight
He dropped you off, I followed him home
Then I, stood outside his bedroom window
Standing over him, he begged me not to do
What I knew I had to do, 'cause I'm so in love with you
Oh, my love
Please don't cry
I'll wash my bloody hands and
We'll start a new life
I don't know much at all
I don't know wrong from right
All I know is that I love you tonight
Tonight
