

# If I Go Away

Paul Jackson Jr

i feel so lost inside your arms  
Though you tell me, "I'm not giving yet"  
So please tell me where I'd be  
Tell me how for I need to guess  
I can tell that you're heart's been here before  
And I don't want you to hurt no moreIf I go away  
How you gonna love me then  
How can I tell you when I need you to hold me  
If I go away  
Will I ever find a friend like you who knows me  
If I go away  
How you gonna love me  
So I say goodbye again  
Hoping that you can hear me cry  
But the further i walk away  
The closer to you I feel inside  
I might as well open all the doors  
'Coz I really wanna be just yoursIf I go away  
How you gonna love me then  
How can I tell you when I need you to hold me  
If I go away  
Will I ever find a friend like you who knows me  
If I go away  
I thought that leaving here would be  
The answer to our misery  
But how I was wrong  
And if you feel you need more from me  
I'll give you more than I ever would  
More than I ever could  
If I go away
