

The Big Fuck You

Primer 55

Here I go Little bitch boys thinkin' nothin' is gonna happen
I hear you talking shit but I can't stop laughin'
A little psycho, ego trippin'
That's on your chin when you got caught slippin' Two faces on the same head
Rippin' one off make the other see red
I feel hate, I still gotta destroy
One little, two little, three little bitch boys Here I come, here I come, out of the blue
Little bitch boy with the big fuck you
Here I come, out of the blue, talk enough shit
Gonna see what the fuck I do Here I come out of the blue
Little bitch boy with the big fuck you
Here I come, out of the blue, talk enough shit
Gonna see what the fuck I do Little bitch boys gonna stir up that shit
Bitch turn around, turn around get your wig split
Pull the hammer back as I pop the fuckin' clip in
Just like double O seven on a mission I'm Insane, goddamn I think I'm loco
Just another voice in my head that I don't know
I feel hate, I still gotta destroy
Every last one of those motherfucker bitch boys Here I come, here I come, out of the blue
Little bitch boy with the big fuck you
Here I come, out of the blue, talk enough shit
Gonna see what the fuck I do Here I come out of the blue
Little bitch boy with the big fuck you
Here I come, out of the blue, talk enough shit
Gonna see what the fuck I do Another track from the dark side, dark side of my psyche
If you think I won't, motherfucker just try me
Steppin' on up, step, step, to the front line
You got yours, motherfucker, I will get mine Dark side, dark side of my psyche
If you think I won't, motherfucker just try me
Steppin' on up, step, step, to the front line
You got yours, motherfucker, I will get mine Dark side, dark side of my psyche
If you think I won't, motherfucker just try me
Steppin' on up, step, step, to the front line
You got yours, motherfucker, gotta mine Dark side, dark side of my psyche
If you think I won't, muthafucker just try me
Steppin' on up, step, step, to the front line
You got yours, motherfucker, I will get mine Dark side, dark side of my psyche
If you think I won't, muthafucker just try me
Steppin' on up, step, step, to the front line

You got yours, motherfucker, I will get mineDark side, dark side

I will get mine

Dark side, dark side

I will get mine

Dark side, dark side
