

# Drop The Pilot

Joan Armatrading

I'm right on target, my aim is straight  
So you're in love, I say what of it?  
Things can change, there's always changes  
I want to try some rearranging, I sayDrop the pilot, try my balloon  
Drop the monkey, smell my perfume  
Drop the mahout, I'm the easy rider  
Don't use your army to fight a losing battle  
Animal, mineral, physical, spiritual  
I'm the one you need, I'm the one you needYou're kissing cousins, there's no smoke, no flame  
If you lose that pilot I can fly your plane  
If you want solid ground, come on and try me  
Oh I can take you so high that you're never gonna want to come down, I sayDrop the pilot, try my balloon  
Drop the monkey, smell my perfume  
Drop the mahout, I'm the easy rider  
Don't use your army to fight a losing battle  
Animal, mineral, physical, spiritual  
I'm the one you need, I'm the one you needI said animal, mineral, physical, spiritual  
I'm the one you need, I'm the one you need  
I'm the one you needDrop the pilot, try my balloon  
Drop the monkey, smell my perfume  
Drop the mahout, I'm an easy rider  
Don't use your army to fight a losing battleDrop the pilot, try my balloon  
Drop the monkey, smell my perfume  
Drop the mahout, I'm the easy rider  
Don't use your army to fight a losing battleAnimal, mineral, physical, spiritual  
I'm the one you need, I'm the one you needI say drop the pilot  
Drop the monkey  
Drop the mahout  
Animal, mineral, physical, spiritual  
I'm the one you need, I'm the one you need  
I'm the one you needDrop the pilot  
Drop the pilot
