

It's Over

Badfinger

Pack the bag, I'm goin' away
It's over, goin' home
Thank your people, but it's too much to stay
It's done now, I'm goin' home Now I feel like I'm one
Now I feel like I'm due
Spent my time in some fun
And for that, I thank you It's over, it's over
It's over, I'm goin' home
It's over, it's over
And for that I thank you Now I feel like I'm one
Now I feel like I'm due
Spent my time in some fun
And for that, I thank you It's over, it's over
It's over, I'm goin' home
It's over, it's over
And for that I thank you
