

# Grease (Reprise)

## C.C. Productions

I solve my problems and I see the light  
We got a lovin' thing we gotta feed it right  
There ain't no danger we can go to far  
We start believing now that we can be who we are Grease is the word They think our love is just a growing pain  
Why don't they understand it's just a crying shame  
Their lips are lying only real is real  
We stop the fight right now we got to be what we feel Grease is the word (its the word that you heard)  
It's got groove it's got meaning  
Grease is the time, is the place, is the motion  
Grease is the way we are feeling We take the pressure and we throw away  
Conventionality belongs to yesterday  
There is a chance that we can make it so far  
We start believing now that we can be who we are Grease is the word  
It's got groove it's got meaning  
Grease is the time, is the place, is the motion  
Now Grease is the way we are feeling This is a life of illusion  
Wrapped up in trouble, laced with confusion  
What are we doing here? We take the pressure and we throw away  
Conventionality belongs to yesterday  
There is a chance that we can make it so far  
We start believing now bet we can be who we are Grease is the word  
It's got groove it's got meaning  
Grease is the time, is the place, is the motion  
Grease is the way we are feeling Grease is the word  
It's got groove it's got meaning  
Grease is the time, is the place, is the motion  
Grease is the way we are feeling Grease is the word  
Is the word  
Is the word  
Is the word  
Is the word  
Is the word  
Is the word  
Is the word
