

Ocean of Noise (live)

Arcade Fire

In an ocean of noise
I first heard your voice
Ringing like a bell
As if I had a choice
Oh well! Left in the morning
While you were fast asleep
Into an ocean of violence
A world of empty streets You've got your reasons
And, me - I've got mine
But all the reasons I gave
Were just lies to buy myself some time In an ocean of noise
I first heard your voice
Now who here among us
Still believes in choice?
Not I! No way of knowing
What any man will do
An ocean of violence
Between me and you You've got your reasons
And, me - I've got mine
But all the reasons I gave
Were just lies to buy myself some time I'm gonna work it out
'Cause time won't work it out
I'm gonna work it out
'Cause time won't work it out for you
I'm gonna work it on out
'Cause time won't work it out for you
I'm gonna work it on out
'Cause time won't work it out for you
I'm gonna work it on out
