

Ma & Pa

Fishbone

There once was a Ma that wanted her
There once was a Pa that wanted her I know she's confused, she's my blood sister
She told me the blues as she start to shiver
Only a child in the middle of a war
She's a problem child now because of a divorce Hey Ma and Pa
What the hell is wrong with y'all?
Hey Ma and Pa
What the hell is wrong with y'all? Well there's a lot of money
For all the attorneys It's just not a fight for child custody
'Cause Ma and Pa's revenge is making little sister bleed
Fussin' and fightin' through a family life
Make her wanna take drugs and be out of line Hey Ma and Pa
What the hell is wrong with y'all?
Hey Ma and Pa
What the hell is wrong with y'all?
Hey Ma and Pa
What the hell is wrong with y'all?
Hey Ma and Pa Fighting for love on an angel's feather
Why don't y'all get your together, oh yeah Well it's three the hard way
Doin' it the wrong way
Ma hates Pa, Pa hates Ma
Little sister say, "What the hey, hey" Well there's an evil streak there
With a righteous leak I fear That's why a child goes astray
To live a life another day
Mom and Pop in a family fury
Brother said, "Little sister, don't you worry" Hey Ma and Pa
What the hell is wrong with y'all?
Hey Ma and Pa
What the hell is wrong with y'all?
Hey Ma and Pa
Why'd the family rise and fall?
Hey Ma and Pa Well it's three the hard way
Doin' it the wrong way
Ma hates Pa, Pa hates Ma
Little sister say, "What the hey Hey Ma and Pa
What the hell is wrong with y'all?
Hey Ma and Pa
What the hell is wrong with y'all?
Hey Ma and Pa

What the hell's wrong with y'all?
Hey Ma and PaFighting for love on an angel's feather
Why don't y'all get your together?
