Find Me in the Forest

Goodluck

Find me in the forest, you'll find me in the sea
Find me in the city, where my soul has broken free
Find me in the river, any place I dare to go
Where you'll find my heart, you'll find my home(You'll) find me in the forest, you'll find me in the sea
Find me in the city, where my soul has broken free
Find me in the river, any place I dare to go
Where you'll find my heart, you'll find my homeYou'll find me in the garden, you'll find me close
(You'll) find me in a place, where a heart can feel the love
(You'll) find me in the river, any place I dare to go
Where you'll find my heart, you'll find my home
You'll find me in the garden, you'll find me close
(You'll) find me in a place, where a heart can feel the most
(You'll) find me in the river, any place I dare to go
Where you'll find my heart, you'll find my home
(You'll) find me in the forest, you'll find me in the sea
Find me in the city, where my soul has broken free
Find me in the river, any place I dare to go
Where you'll find my heart, you'll find my homeWhere you'll find my heart, you'll find my homeWhere you'll find my heart, you'll find my home
