

No Time Like Now (feat. Jack Raddics)

Gentleman

No time like present
There is no time like now
Feel the spirit of Jahoviah
Moving inside you now
No time like present
There is no time like now
Feel the power of almighty
Living inside you wow And life it is like a river
Sometimes it takes me to places
Where I want to go
And then it's cold till I shiver
And that is the way how it goes Sometimes it's rapid
Sometimes it's steep
Sometimes it's bitter sometimes sweet
Sometimes it's calm to put we to sleep
Sometimes we hafi cross a bridge that is weak
Sometimes we slip
Sometimes we slide
Sometimes it's takes us to the other side
Sometimes it's narrow
Sometimes it's wide
Always knowing the most high gonna guide No time like present
There is no time like now
Feel the spirit of Jahoviah
Moving inside you now
No time like present
There is no time like now
Feel the power of almighty
Living inside you wow Dem bury us but like flowers now we grow
Planted by the waters of wisdom you know
Marvel not of things look because it shows
Yesterday becomes today tomorrow goes
If what you seeking is a peace of mind
Blind can't be deaf and the deaf left behind
I beg you open up your eyes mankind
Can't you see we living in a perilous time No time like present
There is no time like now
Feel the spirit of Jahoviah
Moving inside you now

No time like present
There is no time like now
Feel the power of almighty
Living inside you wow
