

So Much Music

Liam Hayes

ould it all ever save me
since i was a baby it almost drove me cray
all the people living in the building
try to find the feeling just wonder what im healingno i never gonna give gonna give up
thats the last thing that ive been thinking of
no im not gonna give not gonna give up
thats the last thing that ive been thinking ofin this life there is so much left
i remember how could i forget
that youll always here inside of me
i didnt fall far from the treeso much music
do do dooo do do do
