Faded Love

Bob Wills

As I look at the letters that you wrote to me
It's you that I am thinking of
As I read the lines that to me were so sweet
I remember our faded love
I miss you darling more and more every day
As heaven would miss the stars above
With every heartbeat I still think of you
And remember our faded love
As I think of the past and all the pleasures we had
As I watch the mating of the dove
It was in the springtime when you said goodbye
I remember our faded love
I miss you darling more and more every day
As heaven would miss the stars above
With every heartbeat I still think of you
And remember our faded love
