

Cowboys & Kisses

Anastacia

Cowboys & kisses, cowboys & kisses
Gotta find myself every time you go away
Baggy blue jeans and a box of magazines is all I have of you
Waitin' on the day you walk back in my life
Like a newborn child, you made me smile then stole my heart away
We may be outta touch but never out of time
Come back to me, boy
Cowboys & kisses, always seem to bring me down
You're like a weight in my pocket every time you come around
Damn those cowboys & kisses, yeah, yeah
Gotta find myself every time you go away
Holdin' on to you like a pair of old shoes that you never throw away
Every road still leads me back to you, yeah
Your little white lies and butterflies made me shed a tear
Still I'm prayin' on the day that you'll be mine
Why do all these
Cowboys & kisses always seem to bring me down town?
You're like a weight in my pocket every time you come around
Cowboys & kisses, gotta find myself every time you go away
Every time, every time, baby, yeah
Cowboys & kisses always seem to bring me down
You're like a weight in my pocket every time you come around
Damn those cowboys & kisses
Gotta find myself every time you go away, yeah, yeah, yeah
Why do I keep on holdin' you when all you do is
hurt me?
All my friends say that I should let you go so afraid that I might see
I can't keep on livin' life like this up and down, in and out, I wonder
Is this world just a cowboy & a kiss or should I choose another
Cowboys & kisses always seem to bring me down
You're like a weight in my pocket every time you come around
Damn those cowboys & kisses
I said, I gotta find myself every time you go away
Every time, every time you go
Cowboys & kisses always seem to bring me down
You're like a weight in my pocket every time you come around
Damn those cowboys & kisses
Gotta find myself every time you go away
I said, I said, I said, I said
I gotta find myself every time you go away, yeah, yeah, yeah, yeah
Gotta find myself every time you go away, yeah, yeah, yeah
Cowboys & kisses always seem to bring me down
You're like a weight in my pocket every time you come around
Damn those cowboys & kisses
