Pleasure P

You know I want y'all to just sit back
And think for a second you know what I mean
There's a lot of haters out there hatin' on people relationships and stuff
Don't nobody wanna see you happy they always trynna take ya joy bring you down
(No no no no no) but you gotta be the one to stick by yo mate
And say I'ma be with you no matter what you know what I'm sayin'
Fuck it I did wrong you did wrong too you know what I'm sayin'
We gotta put up with each other shit the easiest thing to do is leave ya dig
Anyway check dis outI don't wanna loose this relationship
So we gotta stay strong don' wanna move on
I know you sick and tired of the fussin'
And the fightin' and the cussin'
But I love you and you love me tooI did you wrong you did me wrong I take you back
You take me back I did you wrong girl
You did me wrong girl I take you back I take you back yea yeaNo matta what you do no matta what you say
No matta how far you go don't take your love away
Because I love you and girl I want you
And girl I need you so lets just work it outI ain't trynna waste your time and I ain't trynna waste my time
And ain't no need to waste no time cause we done put in too much time
I ain't trynna waste your time and I ain't trynna waste my time
And ain't no need to waste no time cause we done put in too much timeWhen your in a relationship the easiest thing for you to do is to leave

And all that good stuff I mean I'm pleading on this track
Because I really really love you
And I really want for us to work it out
And um you know I wanna marry you
Baby you know I want you to be in my life for the rest of my life
