Ain't That Loving You

Lou Rawls

You build my hopes so high
And then you let me down so low
It makes no difference, darling
I just love you more and more

And every time you smile
You know I'm smiling with you
Every time you cry
You know I she'd a few tears too

Ain't that loving you, baby
Ain't that loving you, baby
And I know that's loving you
Ain't that loving you, baby

I don't believe
I don't believe you know
What I'm talking about
I don't believe
I don't believe you know
What I'm talking about

I'm talking about
Love, love, love
I'm talking about
Love, love, love

I'm talking about
Love, love, love
I'm talking about
Love, love, love

You know I told you, darling
That I'd never let you down
And no matter what you do
I'd always be around

You treat me like a schoolboy
That you know is true
It makes no difference, darling

I'll take care of you

Ain't that loving you, baby
Ain't that loving you
Yeah, that's loving you
Ain't that loving you, baby

And every time you smile
You know I'm smiling with you
Oh, ain't that loving you, baby
I know that's loving you
