

# Anyone

## Sugar

If cops and kings were geared with wings  
They'd never learn to fly  
They're too concerned with rules  
That govern no one I don't need blind politics  
Or nimble flicks  
Or Lucite telephones  
That click when dialing, but I need you Who would I want if I didn't want you?  
Who would I love if you didn't care?  
Who would I love if I didn't love you?  
If I didn't love you I wouldn't love anyone So say goodbye to politics  
And nimble flicks  
And Lucite telephones  
That click when dialing, it's easy
