

# Add Ends

## When Saints Go Machine

From where you're standing,  
Everything looks brighter now.  
I do swim by.  
The water's running from my eyes. Add ends to it all.  
Wish I could tell you I was winning,  
But let doctors tell me when I'm wrong.  
Every judgment went through every chair I sit on.  
I'm on pause, but everything goes on.  
Everything goes.  
Blood in our haze.  
King of the rave.  
Never meant to stop.  
Stop and let time take over,  
But we don't know how.  
No way to sort disorder.  
No hope to take home tonight.  
All is lost in yellow light. Rushing towards a crash.  
Sonny seen a too hard a landing.  
And need to say more than ever.  
There's a crack in these eyes,  
From the bones and the crystals on the map. Add ends to it all.  
Wish I could tell you I was winning,  
But let doctors tell me when I'm wrong.  
Every judgment went through every chair I sit on.  
I'm on pause, but everything goes on.  
Everything goes.  
Blood in our haze.  
King of the rave.  
Never meant to stop.  
Stop and let time take over,  
But we don't know how.  
No way to sort disorder.  
No hope to take home tonight.  
All is lost in yellow light,  
At the end of the line. I'll remember you always,  
Stay ?  
Remember you here always.  
Part of me always.  
?Blood in our hands.

King of the rave.  
Never meant to stop.  
Stop and let time take over,  
But we don't know how.  
No way to sort disorder.  
No hope to take home tonight.  
All is lost in yellow light,  
At the end of the line.
