

Your Love

Brandon Heath

I felt it first, when I was younger.
A strange connection to the light.
I tried to satisfy the hunger.
I never got it right,
I never got it right.

So I climbed a mountain,
Built an alter
Looked out as far as I could see
And everyday,
I'm getting older
I'm running out of dreams,
I'm running out of dreams.

[Chorus]

But,
Your love,
Your love.
The only thing that matters is,
Your love,
Your love,
Is all I have to give
Your love
Is enough
To light up the darkness
It's Your love,
Your love,
All I ever needed is Your love

You know the effort I have given
And You know exactly what it costs
And though my innocence was taken,
Not everything is lost,
Not everything is lost!

[Chorus]

You're the hope in the morning,
You're the light when the night is falling,
You're the song when my heart is singin',

It's Your love
You're the eyes to the blind man,
You're the feet to the lame man walkin',
You're the sound of the people singin,
"Its Your love!"
(Your love)
(Your love)

But,
Your love, (Your love)
Your love, (Your love)
The only thing that matters is (ohh)
Your love, (Your love)
Your love, (Your love)
Is all I have to give (ohh)
Your love, (Your love)
Is enough (ohh)
To light up the darkness
Its Your love (Your love!)
Your love (Your love!)
All I ever needed is Your love (Your love)
(Your love is all that I needed)
All I ever needed is Your love (Your love!)
Your love (Your love)
All I ever needed is Your love
(Your love is all that I needed)
All I never needed is Your love
(Your love is all that I needed)
Its all I ever needed...
