

# Horror Show (Firework Remix)

## The Birthday Massacre

They're getting ugly  
They're a horror show  
And now we're laughing  
Because they'll never know  
That they have everything  
We give them all of our own

And they tell us they're sick and they're all aloneThey make fools of us together but we always think of them

    All their laughing and their talking and their wasting of our time  
    And it always hurts to see them now that everything is different

We don't like to see their eyes cause they will never look the sameThey shut the door

    We fell far behind  
    We try forgiveness  
    But they cross the line  
    And now the moment has passed  
    And we can't rewind

We are dead long before we run out of timeThey make fools of us together but we always think of them

    All their laughing and their talking and their wasting of our time  
    And it always hurts to see them now that everything is different  
We don't like to see their eyes cause they will never look the same
