

# The Rubberband Man

## Electric Six

Hand me down my walkin' cane  
Hand me down my hat  
Hurry now and don't be late  
'Cause we ain't got time to chat  
You and me, we're goin' out  
To catch the latest sound  
Guaranteed to blow your mind  
So high you won't come down  
Hey y'all, prepare yourself for the rubberband man  
You've never heard a sound  
Like the rubberband man  
You're bound to lose control  
When the rubberband starts to jam  
Oh Lord, this dude is outta sight  
Everything he does  
Seem to come out right  
Once I went to hear them play  
At a club outside of town  
I was so surprised, I was hypnotized  
By the sound this cat's puttin' down  
When I saw this short, fat guy  
Stretch a band between his toes  
Hey, I laughed so hard  
'Cause the man got down  
When he finally reached his goal  
Hey y'all, prepare yourself for the rubberband man  
You've never heard a sound  
Like the rubberband man  
You're bound to lose control  
When the rubberband starts to jam  
[Incomprehensible] rubberband  
Up on his toes  
  
And then he wriggled it up  
All around his nose  
Guaranteed to blow your mind, rubberband man  
Playin' all that music, yet keepin' time  
Where in the world did he learn that?  
Oh Lord, Lord, help him get away

Hey y'all, prepare yourself for the rubberband man

    You've never heard a sound

        Like the rubberband man

        You're bound to lose control

    When the rubberband starts to jam

        Rubberband man

    How much of this stuff do he think we can stand?

        I don't know

    So much rhythm, grace, and debonair from one man

    Lord, and then he had the nerve to wiggle his left toe

    Slip it through his knee, got the feeling in his head, y'all

        Come on, baby

Hey y'all, prepare yourself for the rubberband man

    You've never heard a sound

        Like the rubberband man

        You're bound to lose control

    When the rubberband starts to jam

Hey y'all, prepare yourself for the rubberband man

    You've never heard a sound

        Like the rubberband man

        You're bound to lose control

    When the rubberband starts to jam

Hey y'all, prepare yourself for the rubberband man

    Get down

        Oh, get down low
