

Happy Nation (Faded Edit)

Ace of Base

Laudate omnes gentes laudate

Magnificat en secula

Et anima mea laudate

Magnificat en secula Happy nation, living in a happy nation

Where the people understand and dream of perfect man

Situation lead to sweet salvation

For the people, for the good, for mankind, brotherhood We're traveling in time Ideas by man and only that will
last

And over time we've learned from the past

That no mans fit to rule the world alone

A man will die, but not his ideas Happy nation, living in a happy nation

Where the people understand and dream of perfect man

Situation lead to sweet salvation

For the people, for the good, for mankind, brotherhood Were traveling in time Traveling in time Tell them we've
gone too far

Tell them we've gone too far

(Happy nation)

Come through and I will dance with you

(Happy nation) Tell them we've gone too far

(Happy nation)

Come through and I will dance with you

(Happy nation)

Tell them we've gone too far

Come through and I will dance with you Happy nation, living in a happy nation

Where the people understand and dream of perfect man

Situation lead to sweet salvation

For the people, for the good, for mankind, brotherhood Happy nation

Happy nation

Happy nation

Happy nation
