Dirty Needlez

Tigertailz

Im a generation laser on a suicide craze
I am a fallen word on a holy crusade
This is the land of the free and the home of the brave
I give you freedom of speech but I dont like what you say
And tell your children that your pleasure caused them painI told you never to play
With those Dirty Needlez
Dirty Needlez, Dirty Needlez
Dirty NeedlezI am the famine that follows the feastI see a beauty consumed by the beast
Well you could work like a dog for the rest of your days
Or you could crawl in the dirt
But I work in mysterious ways
Tell your children that your pleasure caused them painI told you never to play
With those Dirty Needlez
Dirty Needles, Dirty Needlez
Dirty needlez(guitar solo)This is the land of the free and the home of the brave
I give you freedom of speech but I dont like what you say
So tell your children that your pleasure caused them painI told you never to play...
With those Dirty Needles
Dirty Needlez, Dirty Needlez, Dirty Needlez
Dirty Needlez, Dirty Needlez, Dirty Needlez
Dirty Needlez
