Lazarus

Porcupine Tree

Past the cheerless towns
Past my window
I can see a washed-out moon
Through the fog

And then a voice inside my head
Breaks the analog
And says
Follow me down, to the valley below
You know
Moonlight is bleeding
From out of your soul

I survived against the will
Of my twisted folk
But in the deafness of my world
The silence broke

Follow me down, to the valley below
You know
Moonlight is bleeding
From out of your soul

Follow me down, to the valley below
You know
Moonlight is bleeding
From out of your soul

My David don't you worry
This cold world is not for you
So rest your head upon me
I have strength to carry you

Those are the twenties rising
Golden sun is just for you

Follow me down, to the valley below
You know
Moonlight is bleeding

From out of your soul

Follow me down, to the valley below
You know
Moonlight is bleeding
From out of your soul

Come to us
Lazarus
It's time for you to go
