

Alice (Noisia Remix)

Moby

Chorus 1

My head keeps turnin' turnin'

Like Russian roulette

Thoughts are like bullets

I cannot do this... do this... do this... do this... do thisChorus 2

How do I feel like? Alright, probably going home

Gonna make it the same

Gonna make it my love time... make it my love time...Chorus 3

Cause this is the right world

This is the wrong world

This is the one world

This is the dark world

This is the sun world

This is the sun word

Can you become girl? Here in this fun world.

Psychosomatic Imagine having shadows swooping inside us

And mirrors cracking

The shudders was a trappin

Having tea with Alice and Rabbit Im on the mirror

I'm jealous chemically Im imbalanced until I channel

Tracking through the heart of the devil

My?

My thoughts are spinnin' from brellas to higher levels

Severed from your lovin' I'm troubled I talk to no one

And no one told there's no one Happening in the volcom

Where I'm not supposed ta With padded rooms like a sofa

They told me it's for my own good

My voices are on my shoulder

Planet of the vultures divulgin' To keep revolvin'

The spotted Works on my focus My culture, but no one knows it

This is why I'm focusin' mostly upon my my own shit.

I told you I'm not the culprit I'm the only one you notice

Walkin across the ocean makes no suprise no commotions

I'm in a place that you noticed

I'm goin outta my marbles

How do I feel like? Alright, probably going home

Gonna make it the same

Gonna make it my love time... make it my love time...Cause this is the right world

This is the wrong world

This is the one world
This is the dark world
This is the sun world
This is the sun word
