

Funny Thing About Love

Lauren Alaina

Funny thing about love
You used to want me
But I didn't want you
And now I want you
Oh but you don't want me yeah
Why cant our two hearts just make up their minds
And want the same thing at the same time
Funny thing about love
It never makes sense
it just keeps messing you up
it never makes sense it never makes sense
let it go never want it back
turn around and just like that
you swear you cant get enough
that's the funny thing about love
yeah
that's the funny thing about love
we were best friends
until I kissed you
you know you liked it
and I did too
yeah
as soon as you admit your crazy about me
im off and runnin
and soon enough youll see

Funny thing about love
It never makes sense
it just keeps messing you up
it never makes scene it never makes sense
let it go never want it back
turn around and just like that
you swear you cant get enough
that's the funny thing about love
yeah
that's the funny thing about love
it makes you crazy
itll make you do the stupidest stuff
but you cant live without it

yeah
that's the funny thing about love
yeah
Funny thing about love
It never makes sense
it just keeps messing you up
it never makes sense it never makes sense
let it go never want it back
turn around and just like that
you swear you cant get enough
you swear you cant get enough
that's the funny thing about love
yeah
that's the funny thing about love
